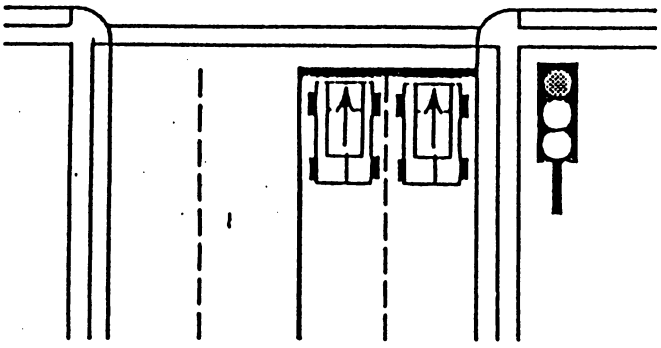
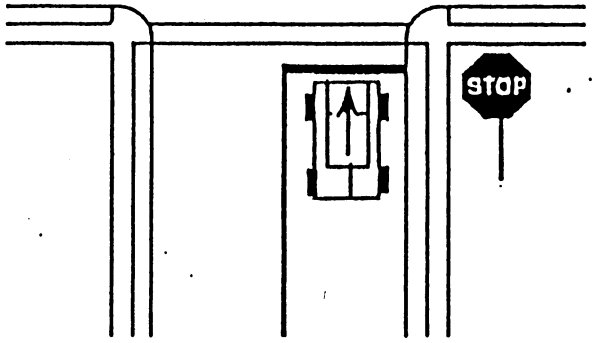
STOPPING POSITIONS

The traffic law requires that each driver bring his/her vehicle to a complete stop at an intersection ch is controlled by either a stop sign or an amber or red traffic signal. The driver must know where correct stopping positions are for each type of intersection.

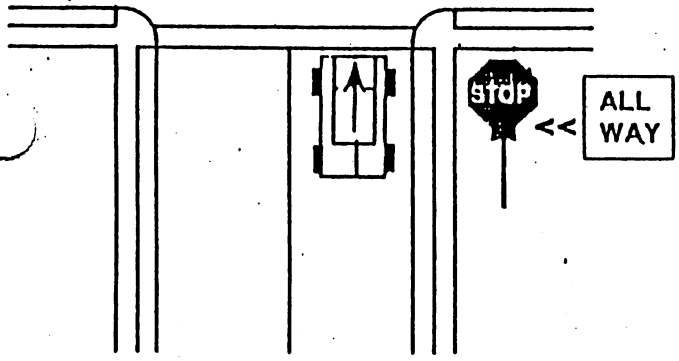
1. Where there is a stop line

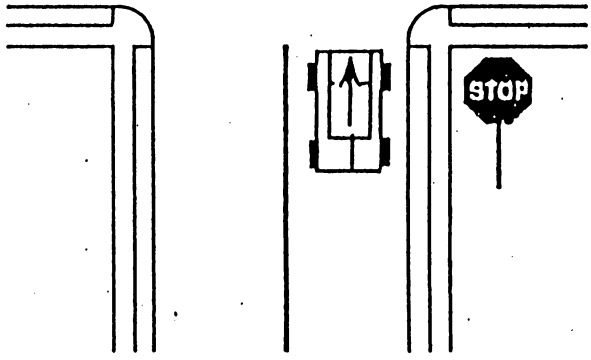




STOP At the clearly marked stop line

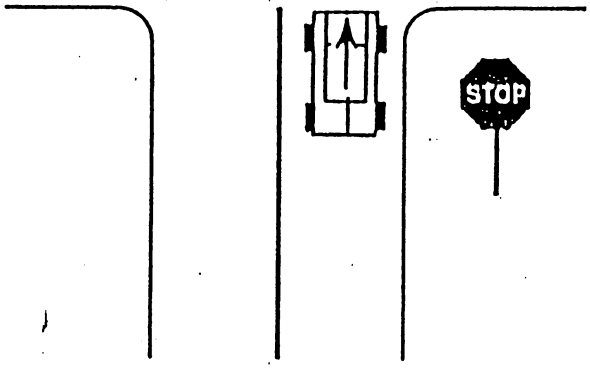
2. Where there is no stop line





STOP Before the crosswalk, whether marked or not

3. Where there is no stop line or crosswalk



STOP In line with the edge of the travelled portion of the street
